

Garden City Soccer Club

supported by the Massachusetts State Soccer League Youth Division

Boys U13 Open Tryout: June 20th 6:00-7:30 pm

Birthdates 8/1/95 – 7/31/96

Grellier Field - Lasell College in Newton*

The Garden City Soccer Club is providing opportunities for serious players to improve their skills in a club environment. GCSC emphasizes player development by teaching individual and team skills during fall, winter, and spring training sessions. Players will be afforded the chance to showcase these skills competing in the Massachusetts Premier League (MAPLE) starting in the fall of 2008. GCSC will also compete in league play in the spring of 2009, and in select tournaments throughout the year.

GCSC is committed to ***Respect, Teamwork, and Effort***. We strive to develop our players into stronger and better young men by reinforcing and supporting these virtues in a fun, challenging, and competitive environment.

Team will be coached by Jon McIntyre – Licensed and experienced youth soccer coach of boys and girls teams ages 6 – U14.

Please arrive 30 minutes early to register, then try out. Be prepared with a white shirt, soccer ball, water, cleats and shin guards.

To Pre-register call or email Tom at 617-694-1385, GCSClub@aol.com

* Route 16 to Woodland Rd, left on Forest (www.lasell.edu/athletics/directions)
